# WELCOME TO FRANK KEY

Frank Key is a leading supplier of building, timber and landscaping products, serving the trade and public for over a century.

We supply everything you need to create your ideal garden, from our stylish landscaping products in this guide, to quality building supplies such as sand and cement, through to specialist landscaping equipment for hire. Our expert teams are on hand to help you achieve the professional finish you require, all from one place.

We are main stockists of a whole variety of brands, so whether you opt for a contemporary or traditional landscape look, we provide you with the best products to complete your design. Furthermore, in the unlikely event you do not find the product you are looking for in this guide, we will ensure you will not need to compromise your design. Our strong supplier relationships mean we can source the right product for you on a short lead time, allowing you to realise your dream garden or patio.

Along with using this guide you will be able to get landscaping inspiration at any of our six locations

across Nottinghamshire, Derbyshire and South Yorkshire. Please use the branch selector at the back of the guide to find your nearest stockist, where you will be able to see the products on display and speak to our friendly highly trained team about your project. Also, unlike other outlets we have a dedicated display at Patio World, Brookfields Garden Centre, Mapperley Plains, ideal if you are looking for landscaping ideas at the weekend.

This guide details all the landscaping materials Frank Key stock, which location holds the product (see location key opposite) and the indicative price. The pricing given shows the charge for the unit shown (single, per m2, per patio pack). In many cases discounts are available where a higher quantity is purchased. For more information, please speak to one of the Frank Key team.

We hope you find this guide useful in completing your landscaping project and we look forward to your visit.

Please visit our Landscaping section on [www.frank-key.co.uk](http://www.frank-key.co.uk), for more information.

Disclaimer: The products represent lines available from our stocks or on display at one or more of our outlets. All prices in this guide are correct as of 1st April 2017, and the VAT inclusive prices are stated at the current rate (20%). Should the VAT rate change, these prices will be amended accordingly. The company reserves the right to change any specification or prices without prior notice, any alterations will be published in the landscaping section of the website. Sizes given in this brochure are approximate and are given for use as a guide only. Where unwanted items are returned, a restocking charge may be applied, special order items (non-stock products) may not be returned, we recommend you obtain a sample prior to ordering. Where a product is defective or damaged, the company may use a supplier representative to ensure the product is faulty.

## Bradstone Granite Setts

# UTILITY PAVING

These are tough, hard wearing, budget paving solutions. Ideal as a base for utility areas and sheds. They are not recommended for feature patios, as with utility products the colour and finish will vary.

**Frank Key LANDSCAPING**

## OUR GUIDE TO GOOD DECK BUILDING

- Plan the deck carefully before commencing any construction work.
- A scale drawing of the proposed deck and surroundings will help visualise the overall size and shape.
- Materials stored on site before and during deck building should be protected from rain using a waterproof cover.
- Spend time preparing the proposed site. Remove all vegetation, apply a proprietary weed killer and weed block.
- For decks over 600mm above ground level, consult a reputable builder or structural engineer.
- Do not bridge the damp course or cover air bricks if fixing to the side of a house.
- All cut ends and drilled holes must be treated with a suitable proprietary end coat.
